INTRODUCTION AND GENERAL INFORMATION

1. Introduction and Purpose.

The Parking Authority is soliciting Qualifications Statements from interested persons and/or firms for the provision of Special Counsel Services for the Parking Authority as more particularly described herein:

SCOPE OF SERVICES

- Provide the Parking Authority with recommendations and guidance on legal matters as requested by the Parking Authority, including but not limited to issues of Labor and Employment Law.
- Work with the Parking Authority's General Counsel, financial advisors, auditors, parking consultant and/or other professionals and staff to determine and implement the Parking Authority's legal needs.
- Perform other specific legal services as agreed to by the Parking Authority Board of Commissioners, management and/or General Counsel.
- Must be available to attend monthly Board meetings as needed.
- Must be available to attend meetings inside and outside the Parking Authority offices when necessary.

Through a Request for Qualifications process described herein, persons and/or firms interested in assisting the Parking Authority with the provision of such services must prepare and submit a Qualification Statement in accordance with the procedure and schedule in this RFQ. The Parking

Authority will review Qualification Statements only from those firms that submit a Qualification Statement which includes all the information required to be included as described herein (in the sole judgment of the Parking Authority}. The Parking Authority intends to qualify person(s) and/or firm(s) that (a) possesses the professional capabilities to provide the proposed services, and (b) will agree to work under the compensation terms and conditions determined by the Board of Commissioners of the Parking Authority of the City of Camden to provide the greatest benefit to the Parking Authority.

2. Contract Period.

Contract period is for One (1) Year commencing February 1, 2019 through January 31, 2020.

3. Procurement Process.

The selection of Qualified Respondents is not subject to the provisions of the Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq. The selection is subject to the "New Jersey Local Unit Pay-to-Play" Law, N.J.S.A. 19:44A-20.4 et seq., however. The Parking Authority has structured a procurement process that seeks to obtain the desired results described above, while establishing a competitive process to assure that each person and/or firm is provided an equal opportunity to submit a Qualification Statement in response to the RFQ. Qualification Statements will be evaluated in accordance with the criteria set forth in Section 5 of this RFQ, which will be applied in the same manner to each Qualifications Statement received.

Qualification Statements will be reviewed and evaluated by the Parking Authority and its advisors (collectively, the "Review Team"). The Qualification Statements will be reviewed to determine if the Respondent has met the minimum professional, administrative and financial requirements described in this RFQ. Under no circumstances will a member of the Review Team review responses to an RFQ for a job which they or their firm submitted a response. Based upon the totality of the information contained in the Qualification Statement, including information about the reputation and experience of each Respondent, the Parking Authority will (in its sole judgment) determine which Respondents are qualified. Each Respondent that meets the requirements of the RFQ (in the sole judgment of the Parking Authority} will be designated as a Qualified Respondent and will be eligible for a future award of a contract for Special Counsel Services.

The RFQ process commences with the issuance of this RFQ. The steps involved in the process and the anticipated completion dates are set forth in Table 1, Procurement Schedule. The Parking Authority reserves the right to, among other things, amend, modify or alter the Procurement Schedule upon notice to all potential Respondents.

Subsequent to issues of this RFQ, the Parking Authority (through the issuance of addenda to all firms that have received a copy of the RFQ) may modify, supplement or amend the provisions of this RFQ in order to respond to inquiries received from prospective Respondents or as otherwise deemed necessary or appropriate by (and in the sole judgment of) the Parking Authority.

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with N.J.A.C. 17:27-5.2, or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the applicable employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:
